The Reverend Jesse Ray is a high energy one-man-band with crooning vocals, splitting harmonica, pounding foot drums, and rockin' guitar. After winning three WYCE JAMMIE Awards, and traveling to Memphis as an International Blues Challenger as Frontman for Jesse Ray and the Carolina Catfish; The Reverend Jesse Ray has the chops and attitude to rock any stage solo. No venue is safe in the wake of this crushing and primal Rock and Roll phenomenon, yet one thing is certain: less is more.
